

Table Tennis Ladder Rules

- Ladder matches are best of 3 games.
- Ladder matches can be played without an umpire.
- Any player may challenge any other player for a ladder match.
- When a higher-ranked player A beats a lower-ranked player B, standings remain unchanged.
- When an unranked or lower-ranked player B beats a higher-ranked player A, player B will take player A's ladder position and player A will drop one rank.
- When a player first registers, he or she will be unranked.
- A player becomes ranked upon the first win against a ranked player.
